SUMMARY DISCLOSURE STATEMENT for ACCELERATED DEATH BENEFIT

Benefit:

Subject to the terms of this Benefit, we will pay a portion of the death benefit upon receiving proof that the insured is terminally ill. An accelerated death benefit can only be paid one time.

Consequences of Receiving Accelerated Death Benefit:

The receipt of an accelerated death benefit may be considered a taxable event under the Internal Revenue Code. The receipt of an accelerated death benefit may also affect eligibility to receive, or continue to receive Medicaid benefits, or other state or federal government benefits and entitlements. Before you elect to receive any accelerated benefits, you should consult with your tax advisor.

Amount You May Elect:

You may elect the amount of the accelerated death benefit to be paid. The limits are outlined in the Benefit but are generally limited to the lesser of 60% of the death benefit of the policy or \$1,000,000. We will charge an administrative fee of not more than \$300, deducted from any payment made.

When Eligible for Payment of Benefit:

You are entitled to receive the accelerated death benefit when we have determined that the insured is terminally ill and has a life expectancy of 6 months or less.

Notice and Proof of Qualifying Event:

We will require proof that the insured is terminally ill. The diagnosis must be made by a physician as defined in the Benefit. Any diagnosis must be the result of clinical, radiological, histological, or laboratory evidence of the terminal illness. We may require a second medical opinion by a physician of our choice at our expense. If there is a conflict of opinion, we reserve the right to make the final determination.

Effect of an Accelerated Death Benefit:

When you elect to receive an accelerated death benefit, it will be treated as a lien against your policy. We will charge you interest on the accelerated death benefit paid to you. The Accelerated Death Benefit does not have an effect on the Premium and/or Cost of Insurance Charges of the base policy.

The maximum interest rate we may charge you is the greater of:

1. The interest rate charged on policy loans; or
2. the current 90 day U.S. Treasury Bill rate in effect on the date that the accelerated death benefit is paid.

The maximum interest rate we will charge on the portion of the lien which is equal to the cash surrender value of the policy at the time the accelerated death benefit is requested will be no greater than the rate we charge on policy loans.

The accelerated death benefit will first be used to repay any outstanding policy loans and any unpaid accrued interest thereon. Your access to the cash surrender value of your policy, if any, will be limited to the excess of the cash surrender value over the lien. The death benefit will also be reduced by the amount of the lien. There will be no effect on any benefits not used to determine the accelerated death benefit.

Any irrevocable beneficiaries or assignees must send us a written consent to the accelerated death benefit payment. The written request must be in a form satisfactory to us.

Below is a **sample illustration** of the effect of an accelerated death benefit on a **UNIVERSAL LIFE** policy. This illustration shows the effect on the face amount of the policy before the accelerated death benefit is elected, immediately after the election is made and 12 months after the election is made (assuming the insured is still living). This illustration also assumes:

- (1) the Face Amount is \$100,000; (2) a 50% accelerated death benefit is elected; (3) we are charging 6% on the lien; and
- (4) for **UNIVERSAL LIFE**, the cash surrender value does not change after the accelerated death benefit is elected.

SUMMARY AND DISCLOSURE STATEMENT FOR CHRONIC ILLNESS ACCELERATED DEATH BENEFIT RIDER

This disclosure form provides a brief description of the important features of the rider. This is not an insurance contract. Only the rider contains the governing contractual provisions setting forth in detail the rights and obligations of both the Owner and the Company.

NOTICE: The rider is intended to provide an accelerated death benefit which will qualify for favorable tax treatment under Section 101(g)(1)(B) of the Internal Revenue Code of 1986, as amended or its successor (the "Code"), except as provided in Section 101(g)(5) of the Code. Tax laws relating to acceleration of life insurance benefits are complex. As with all tax matters, you should consult a personal tax advisor to assess the impact of any benefit received under the rider.

Receipt of acceleration-of-life-insurance benefits may affect the recipient, the recipient's spouse or the recipient's family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. You are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect the recipient, the recipient's spouse and recipient's family's eligibility for public assistance.

Subject to the terms of the rider, we will pay a portion of the policy's death benefit each benefit period upon receiving Written Certification or Written Re-certification, as applicable, that the Insured is Chronically Ill. The amount we pay is called the Monthly Benefit.

DEFINITIONS

Activities of Daily Living: Means six basic human functions necessary for a person to live independently. Specifically they include: eating, toileting, transferring, bathing, dressing, and continence.

Chronically Ill: Means that the Insured has been certified, within the preceding 12 months, by a Licensed Healthcare Practitioner as: being unable to perform (without Substantial Assistance from another individual) at least two Activities of Daily Living for a period of at least 90 days due to the loss of functional capacity; or requiring Substantial Supervision to protect the Insured from threats to health and safety due to Severe Cognitive Impairment.

Written Certification: Means written documentation from a Licensed Health Care Practitioner, provided at the Owner or Insured's expense, certifying that the Insured is Chronically Ill and as set forth in a Plan of Care in need of necessary diagnostic, preventative, therapeutic, curing, treating, mitigating and rehabilitative services and Maintenance or Personal Care Services, likely for the rest of the Insured's life.

Written Re-certification: Means Written Certification, at our expense, provided prior to the start of each benefit period after the first.

BENEFIT

The Monthly Benefit is subject to a maximum chosen by the Owner. An amount less than then Maximum Monthly Benefit may be requested. You may also choose to receive the accelerated death benefit payment as a present value lump sum. All payments are subject to the Lifetime Maximum Benefit as described in the rider.

ELIGIBILITY

The Insured will become eligible, each Benefit Period, for benefits under the rider when each of the following conditions are met: (1) We receive your written request for the Accelerated Death Benefit; (2) We receive Written Certification or Written Re-certification; (3) The Policy and the rider are in force; (4) We receive written consent from any irrevocable beneficiaries or assignee of record named in the Policy; (5) The Elimination Period has expired; and (6) The Insured is Chronically Ill at the time a benefit payment is made.

We reserve the right to independently assess the Insured's Chronic Illness and benefit eligibility. As part of this assessment we have the right to require that the Insured be examined by a Licensed Health Care Practitioner chosen by us. We will pay for this examination. The Insured must be certified as Chronically Ill for the entire period in which benefits are being paid.

IMPACT ON THE POLICY

Each accelerated death benefit payment will reduce the following values by a proportional amount equal to the monthly benefit payment, before reduction for repayment of Policy Debt, divided by the death benefit immediately before the payment: (1) Policy Value; (2) Face amount; (3) Surrender charges, if any; (4) Lapse Protection Account Value, if any, (5) Minimum premium requirements for lapse protection, if any; (6) Cumulative minimum premium requirements for lapse protection, if any; (7) Cumulative premiums paid to date; and (8) Policy Debt, if any. An amount equal to Policy Debt reduction will be applied to repay the Policy debt, and thus will reduce the net amount of proceeds distributable as an accelerated death benefit.

Below is a sample illustration to demonstrate the effect of an accelerated death benefit payment on a policy. This guaranteed-basis illustration shows the effect on the face amount of the policy before the accelerated death benefit is elected, immediately after the election is made and 12 months after the election is made (assuming the insured is still living). This illustration also assumes:

1. The insured is a Male issue age 35;
2. The face amount is \$250,000;
3. A \$5000 monthly benefit payment is required following the 19th policy anniversary;
4. A single loan of \$500 has been taken at the beginning of Policy Year 19, no withdrawals have been taken, and the Monthly Benefit payments are assumed to begin at the beginning of Policy year 20; and
5. No further loans or withdrawals can be taken during the benefit period (as stipulated in the contract).

Any waiver of deductions is only effective during a Benefit Period.

Activities of Daily Living: Means six basic human functions necessary for a person to live independently. Specifically they include: eating, toileting, transferring, bathing, dressing, and continence.

Chronically Ill: Means that the Insured has been certified, within the preceding 12 months, by a Licensed Healthcare Practitioner as: being unable to perform (without Substantial Assistance from another individual) at least two Activities of Daily Living for a period of at least 90 days due to the loss of functional capacity; or requiring Substantial Supervision to protect the Insured from threats to health and safety due to Severe Cognitive Impairment.

Written Certification: Means written documentation from a Licensed Health Care Practitioner, provided at the Owner or Insured's expense, certifying that the Insured is Chronically Ill and as set forth in a Plan of Care in need of necessary diagnostic, preventative, therapeutic, curing, treating, mitigating and rehabilitative services and Maintenance or Personal Care Services, likely for the rest of the Insured's life.

Written Re-certification: Means Written Certification, at our expense, provided prior to the start of each benefit period after the first.

BENEFIT

The Monthly Benefit is subject to a maximum chosen by the Owner. An amount less than then Maximum Monthly Benefit may be requested. You may also choose to receive the accelerated death benefit payment as a present value lump sum. All payments are subject to the Lifetime Maximum Benefit as described in the rider.

ELIGIBILITY

The Insured will become eligible, each Benefit Period, for benefits under the rider when each of the following conditions are met: (1) We receive your written request for the Accelerated Death Benefit; (2) We receive Written Certification or Written Re-certification; (3) The Policy and the rider are in force; (4) We receive written consent from any irrevocable beneficiaries or assignee of record named in the Policy; (5) The Elimination Period has expired; and (6) The Insured is Chronically Ill at the time a benefit payment is made.

We reserve the right to independently assess the Insured's Chronic Illness and benefit eligibility. As part of this assessment we have the right to require that the Insured be examined by a Licensed Health Care Practitioner chosen by us. We will pay for this examination. The Insured must be certified as Chronically Ill for the entire period in which benefits are being paid.

IMPACT ON THE POLICY

Each accelerated death benefit payment will reduce the following values by a proportional amount equal to the monthly benefit payment, before reduction for repayment of Policy Debt, divided by the death benefit immediately before the payment: (1) Policy Value; (2) Face amount; (3) Surrender charges, if any; (4) Lapse Protection Account Value, if any, (5) Minimum premium requirements for lapse protection, if any; (6) Cumulative minimum premium requirements for lapse protection, if any; (7) Cumulative premiums paid to date; and (8) Policy Debt, if any. An amount equal to Policy Debt reduction will be applied to repay the Policy debt, and thus will reduce the net amount of proceeds distributable as an accelerated death benefit.

Below is a sample illustration to demonstrate the effect of an accelerated death benefit payment on a policy. This guaranteed-basis illustration shows the effect on the face amount of the policy before the accelerated death benefit is elected, immediately after the election is made and 12 months after the election is made (assuming the insured is still living). This illustration also assumes:

1. The insured is a Male issue age 35;
2. The face amount is \$250,000;
3. A \$5000 monthly benefit payment is required following the 19th policy anniversary;
4. A single loan of \$500 has been taken at the beginning of Policy Year 19, no withdrawals have been taken, and the Monthly Benefit payments are assumed to begin at the beginning of Policy year 20; and
5. No further loans or withdrawals can be taken during the benefit period (as stipulated in the contract).

Effect on Monthly Deduction

During a Benefit Period, all monthly deductions continue. If on any monthly anniversary such deduction would cause the policy to lapse, we will waive the monthly deduction or the monthly lapse protection deduction, if any, as required to maintain the policy. Any waiver of deductions is only effective during a Benefit Period.

DISCLOSURE FORM FOR CHRONIC ILLNESS ACCELERATED DEATH BENEFIT RIDER

NOTICE: The rider is intended to provide an accelerated death benefit which will qualify for favorable tax treatment under Section 101 (g)(1)(B) of the Internal Revenue Code, as amended, or its successor, except as provided in Section 101(g)(5) of the Internal Revenue Code, as amended, or its successor. As with all tax matters, the Owner should consult a personal tax advisor to assess the impact of any benefit received under the rider. Any benefit received under the rider may impact the recipient's eligibility for Medicaid or other government benefits.

PURPOSE OF DISCLOSURE FORM

This disclosure form provides a brief description of the important features of the rider. This is not an insurance contract. Only the rider contains governing contractual provisions. This means that the rider sets forth in detail the rights and obligations of both the Owner and the Company.

GENERAL DESCRIPTION

The rider provides for accelerated death benefit payments each Benefit Period (subject to a lifetime maximum benefit), during the lifetime of the Insured and while the rider is in force, if the Insured is first diagnosed as being a Chronically Ill Individual by a Licensed Health Care Practitioner after the Effective Date and all of the terms and conditions of the rider are met. The accelerated death benefit amount the Company will pay each Benefit Period is called the Maximum Monthly Benefit.

DEFINITIONS

Benefit Period: The initial Benefit Period is the 12 month period beginning on the 1st monthly anniversary after approval of a request for accelerated benefits. Each subsequent benefit period is the 12 month period beginning on the 1st monthly anniversary after the most recent Benefit Period and satisfaction of the eligibility for benefits requirements.

Maximum Monthly Benefit: Means the maximum amount that can be accelerated in any single month during each Benefit Period (may be taken as a lump sum equal to the sum of the present value of the Maximum Monthly Benefit, before adjustments for Policy Debt, for each month of the Benefit Period).

Chronically Ill: Means that the Insured has been certified, within the preceding 12 months, by a Licensed Health Care Practitioner as:

1. Being unable to perform, without Substantial Assistance from another individual, at least two Activities of Daily Living for a period of at least 90 days due to a loss of functional capacity; or,
2. Requiring Substantial Supervision to protect the Insured from threats to health and safety due to Severe Cognitive Impairment.

ELIGIBILITY FOR BENEFITS

The Insured will become eligible, each Benefit Period, for Accelerated Death Benefit payments during the life of the Insured when each of the following conditions are met:

1. We receive Your written request for the Accelerated Death Benefit;
2. We receive Written Certification or Written Re-certification;
3. The Policy and this Rider are in force;
4. We receive written consent from any irrevocable beneficiaries or assignee of record named in the policy;
5. The Waiting Period has expired; and
6. The Insured is Chronically Ill at the time a benefit payment is made.

IMPACT ON THE POLICY

Proportional Reductions: Each Monthly Benefit payment will reduce certain current values by a proportional amount. This proportion will equal the Monthly Benefit payment, before reduction for repayment of Policy Debt, divided by the death benefit immediately before the payment. The current values that will be reduced by this provision are:

1. Policy Value;
2. Face amount;
3. Surrender Charges, if any;
4. Minimum premium requirements for lapse protection, if any;
5. Cumulative minimum premium requirements for lapse protection, if any;
6. Cumulative premiums paid to date; and
7. Policy Debt, if any.

An amount equal to Policy Debt reduction will be applied to repay Policy Debt, and thus will reduce the net amount of proceeds distributable as an accelerated death benefit

Waiver of Costs: During any Benefit Period, the Monthly Deduction will cease until such time as the benefit payments are discontinued. This Waiver of Costs is in place of any benefit providing a waiver/credit of premium under any other rider or endorsement attached to the policy.

I acknowledge receipt of the Disclosure Form for Chronic Illness Accelerated Death Benefit Rider.

IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

This document must be signed by the applicant and the insurance producer/agent, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new life insurance policy or annuity contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing life insurance policy or annuity contract, or an existing life insurance policy or annuity contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the life insurance policy values, including accumulated dividends, of an existing life insurance policy, to pay all or part of any premium or payment due on the new life insurance policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your life insurance policy or annuity contract. You may be able to make changes to your existing life insurance policy or annuity contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing life insurance policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing life insurance policy or annuity contract? Yes No
2. Are you considering using funds from your existing policies or annuity contracts to pay premiums due on the new life insurance policy or annuity contract? Yes No

If you answered "yes" to either of the above questions, list each existing life insurance policy or annuity contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the life insurance policy or annuity contract number if available) and whether each life insurance policy or annuity contract will be replaced or used as a source of financing:

INSURER NAME	ANNUITY CONTRACT OR LIFE INSURANCE POLICY #	INSURED OR ANNUITANT	REPLACED (R) OR FINANCING (F)
1. _____	_____	_____	_____
2. _____	_____	_____	_____
3. _____	_____	_____	_____

Make sure you know the facts. Contact your existing company or its insurance producer/agent for information about the old life insurance policy or annuity contract. If you request one, an in-force illustration, life insurance policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and keep all sales material used by the insurance producer/agent in the sales presentation. Be sure that you make an informed decision.

The existing life insurance policy or annuity contract is being replaced because _____.

I certify that the responses herein are, to the best of my knowledge, accurate:

Applicant's Signature	Printed Name	Date
Insurance Producer's/Agent Signature	Printed Name	Date

I do not want this notice read aloud to me _____ (Applicants must initial only if they do not want the notice read aloud.)

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing life insurance policy or annuity contract and the proposed life insurance policy or annuity contract. One way to do this is to ask the company or insurance producer/agent that sold you your existing life insurance policy or annuity contract to provide you with information concerning your existing life insurance policy or annuity contract. This may include an illustration of how your existing life insurance policy or annuity contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or annuity contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:

Are they affordable?

Could they change?

You're older – are premiums higher for the proposed new life insurance policy?

How long will you have to pay premiums on the new life insurance policy? On the old life insurance policy?

POLICY VALUES:

New policies usually take longer to build cash values and to pay dividends.

Acquisition costs for the old life insurance policy may have been paid; you will incur costs for the new one.

What surrender charges do the policies have?

What expense and sales charges will you pay on the new life insurance policy?

Does the new life insurance policy provide more insurance coverage?

INSURABILITY:

If your health has changed since you bought your old life insurance policy, the new one could cost you more, or you could be turned down.

You may need a medical exam for a new life insurance policy.

(Claims on most new policies for up to the first two years can be denied based on inaccurate statements.

Suicide limitations may begin anew on the coverage.)

IF YOU ARE KEEPING THE OLD LIFE INSURANCE POLICY AS WELL AS THE NEW LIFE INSURANCE POLICY:

How are premiums for both policies being paid?

How will the premiums on your existing life insurance policy be affected?

Will a loan be deducted from death benefits?

What values from the old life insurance policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

Will you pay surrender charges on your old annuity contract?

What are the interest rate guarantees for the new annuity contract?

Have you compared the annuity contract charges or other life insurance policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

What are the tax consequences of buying the new life insurance policy?

Is this a tax-free exchange? (See your tax advisor.)

Is there a benefit from favorable "grandfathered" treatment of the old life insurance policy under the Federal Internal Revenue Tax Code?

Will the existing insurer be willing to modify the old life insurance policy?

How does the quality and financial stability of the new company compare with your existing company?
